***Please consider bringing a donation for our HOLIDAY FUNDRAISER benefitting Rural Neighborhoods of Immokalee, Florida -  
RuralNeighborhoods.org***

The organization provides community services and 350 affordable housing units in Immokalee, especially for migrant and seasonal workers' families, to eliminate substandard and overcrowded dwellings. Last year, our donations provided \$25 gift cards to 189 families or 325 youths to purchase toys or other items for their children.

***(Checks only, payable to Rural Neighborhoods). Thank you!***
